V. NEW ITEMS:

ACTUAL TIME: 2:21 P.M.

APPLICATION **OF STEVEN** FAULSTICH, **CITY HOUSING** A. PROGRAMS SUPERVISOR, REQUESTING THAT THE PLANNING RECOMMENDATION COMMISSION MAKE TO THE A **CITY** COUNCIL REGARDING THE PROPOSED AMENDMENTS TO THE CITY'S INCLUSIONARY HOUSING ORDINANCE (MST2008-00574)

The project would amend the IHO to apply to projects with two to nine units. An in-lieu fee of \$17,800 per market rate unit included in the project would be charged when an affordable unit would not be provided as part of the project. The

ordinance would also state that where two to four new units are proposed, the first unit would not be required to pay the in-lieu fee. The requirement for a lot area modification for inclusionary housing would be eliminated. Projects that provide 30% of the units as upper-middle income affordable units would be exempt from the ordinance. The in-lieu fee could be used for purchasing and reselling of existing middle and upper middle income housing, subsidizing the creation of middle and upper middle income housing, and ensuring compliance with middle and upper middle income housing policies and procedures.

The required Planning Commission action for this project is a recommendation to the City Council regarding the proposed Ordinance Amendment.

On March 19, 2009, the Planning Commission held an environmental hearing to receive Planning Commission and public comment on the Draft Mitigated Negative Declaration (MND) for the proposed amendment. The City Council will consider and adopt the Final Mitigated Negative Declaration when it considers the amendment to the IHO.
